Scholarships Turn Dreams into DU Degrees

Scholarships have the power to open doors for Denver's most deserving young people, making a DU education a reality.

And now, through a partnership with the Denver Scholarship Foundation and the Prosperity Denver Fund, donor contributions are leveraged up to three times.

Through this unique collaboration, we're empowering even more students achieve their dreams.

> **The BuildStrong Foundation is excited about this innovative partnership where together, we're amplifying the power of every dollar invested in scholarships.**

GIVING TUESDAY

December 2

Be a Difference-Maker this Giving Tuesday

This Giving Tuesday, you have the power to transform lives. Your gift to DU doesn't just support education—it fuels dreams, creates opportunities, and builds a brighter future for DU students.

And this year, if you support scholarships, your generosity goes twice as far. Thanks to a $10,000 matching gift, every dollar you contribute to the University of Denver Scholarship Fund will be doubled, making an even greater impact on the lives of our students.

Scan the QR code or visit give.du.edu/givingtuesday2025 to donate from now until December 2, and your contribution will count towards Giving Tuesday!

Whiskey with a Purpose

Discover the Difference with Locke + Co Distilling.

Unlock the story behind Locke + Co Distilling's Aspen Bourbon Blend whiskey, crafted by DU alumni and aged using aspen trees from the Kennedy Mountain Campus. With every bottle purchased, a portion of the proceeds supports scholarships for DU students.
